— 1. Wild Card Participation Request

The rider may submit a Wild Card entry request for one or two events on the calendar.

This request applies only to the events specifically listed in this form.

— 2. Wild Card Participation Request

The rider must pay a **confirmation deposit of € 1,000.00 + VAT**, which is required to be placed on the waiting list. The deposit:

- enables placement on the waiting list for one or more selected events;
- does not automatically guarantee participation;
- establishes priority order based on when the request is received.

If you apply for more than one event, the deposit will be credited toward the **first event where your participation is confirmed.**

For any additional confirmed events, the rider must pay the full fee for that event, and the previously paid deposit will not be applied again.

— 3. Opening Waitlist & Seat Assignment

The waitlist opens **60 (sixty) days before each event**.

The maximum number of participants is set at **30 (thirty) riders per event**, including those registered for the full championship.

Wild Card spots are assigned until the maximum limit is reached, based on **the order in which reservations are received**.

Confirmation for one event does not guarantee a spot in any other requested events, which remain subject to separate availability.

— 4. Confirmation & Payment

If a spot becomes available, the Organizer will send an official confirmation. To secure final admission, the Rider must immediately pay the remaining balance as follows:

If this is your first confirmed event:

Event fee minus € 1,000.00 + VAT already paid.

If this is a subsequent event:

Full event fee (Misano WDW or Mugello) + VAT.

Registration is considered complete only upon receipt of payment for each event.

— 5. Unavailability of spots

If, on the day the waitlist opens (60 days prior to the event), the maximum number of **30 participants** has already been reached through championship registrations and/or prior confirmations, and no Wild Card spots are available, the Organizer will notify the Rider accordingly.

In this scenario:

- the participation request will be automatically considered void for the event in question;

The Organizer will provide a **full refund of the deposit paid (€ 1,000.00 + VAT)** within a reasonable timeframe.

If the request concerns multiple events, the deposit will remain valid for any other events still pending waitlist opening, unless the Rider expressly withdraws.

A refund of the deposit due to lack of available spots excludes any further claims against the Organizer.

SPECIAL APPROVAL PURSUANT TO ARTICLES 1341 AND 1342 C.C.

In accordance with Articles 1341 and 1342 of the Civil Code, the Driver expressly agrees to the following terms:

- Requests for multiple events and allocation of deposit
- Maximum number of participants per event
- Independent confirmation for each event
- Registration completion subject to full payment
- Art. 5 (Unavailable spots and refund of deposit)
